Subject: Hunters Point SF Chronicle article re Parcel G Workplan + Navy statement

Dear Mohsen,

Angeles asked me to send you these links:

1. This weekend's San Francisco Chronicle article about the Parcel G Workplan comments:

https://www.sfchronicle.com/bayarea/article/EPA-blasts-Navy-for-plan-to-retest-soil-at-former-13164851.php?utm_campaign=email-mobile&utm_source=CMS%20Sharing%20Button&utm_medium=social

2. The above article includes a link to the Navy's statement online, which I am pulling out here:

Please let us know anything else you may need.
